- SAMSUNG'S durable printer has a switch to select receipt or journal printing, prints at a rate of 3.2 lines per second and accepts 2-ply standard 57.5mm(2 1/4") papers.

AUTOMATIC TAX CALCULATION

- SAMSUNG eliminates the need to sort taxable items. Taxes are computed for 4 VAT or 2 Add on tax or 1 straight tax and automatically added to each sale.

200PLUs

- Use the ER-290's price look-ups(PLUs) to automatically price and track sales for up to 200 fast moving items.

REAL TIME CLOCK-HOURLY SALES REPORTING

- SAMSUNG's real time clock automatically prints the time, charges the data and generates sales by hour report detailing the net sales and customer count for each hour of the day.

FINANCIAL REPORTS

- The SAMSUNG ER-290 gives you a through review of your business with a complete analysis of your department sales, function totals and actual drawer totals to help you protect you valuable profits.
